Quick Guide: Residency Information

The screenshot shows the Channel Islands student portal interface. On the left is a red sidebar with navigation links: Dashboard, Class Information, Schedule, Enrollment, Academics, Financials, Admissions, My Information (with a notification badge), and My Profile (with sub-links for General Information, Biographical Information, and Contact Info). The main content area has a top navigation bar with tabs for Personal Information and Security. Below these are links for Addresses, Names, Pref Names, Phone Numbers, Email Addresses, Emergency Contacts, Demographic Information, Identity, Pronouns, Student Parent Status, and Residency Data. The Residency Data section is highlighted with a yellow box and contains two sub-sections: Residency (with the text 'Resident of California') and Tuition Residency Exception. A 'Go to top' link is visible below the highlighted section.
